Emily, there are many ways I can describe that word, but if I were to sum up what that means to me it would be amazing! Amazing describes what you are to me in many ways! When I think back to all the terrible days I had, I remember that after the day was over, you turned my day around totally just when I thought it couldn't get any better. You sang like no other and your solos in music were well deserved.

There is something more important though, what you mean to all of us and what you are to all of us, part of our neighborhood family. Losing you was not and is not easy, but you will always be a part of our family. Em, you will stay sweetly in our hearts forever and ever. We love you!
